

Web Engineering Assignment 1

Name: Rida Rahat Khan

ID: K201902

Frontpage of the website

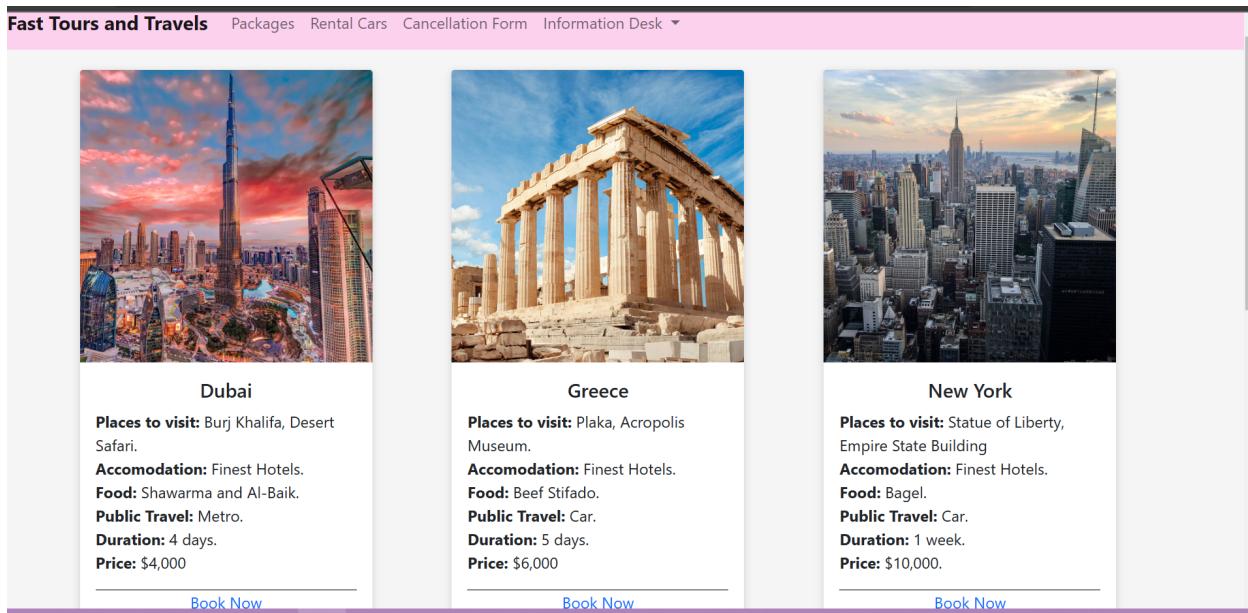

Welcome to Fast Tours and Travels!

FAST Tours and Travels is a young, dynamic business led by professionals committed to provide the travel sector the best possible service. Personalized service, thorough attention to detail, creative itineraries, and top-notch customer service are all values we highly value.

Page that appears after clicking on packages

(It has 6 cards containing the country-wise packages which tells the basic information about the countries tours) All the cards have a hover and box shadow style as well.

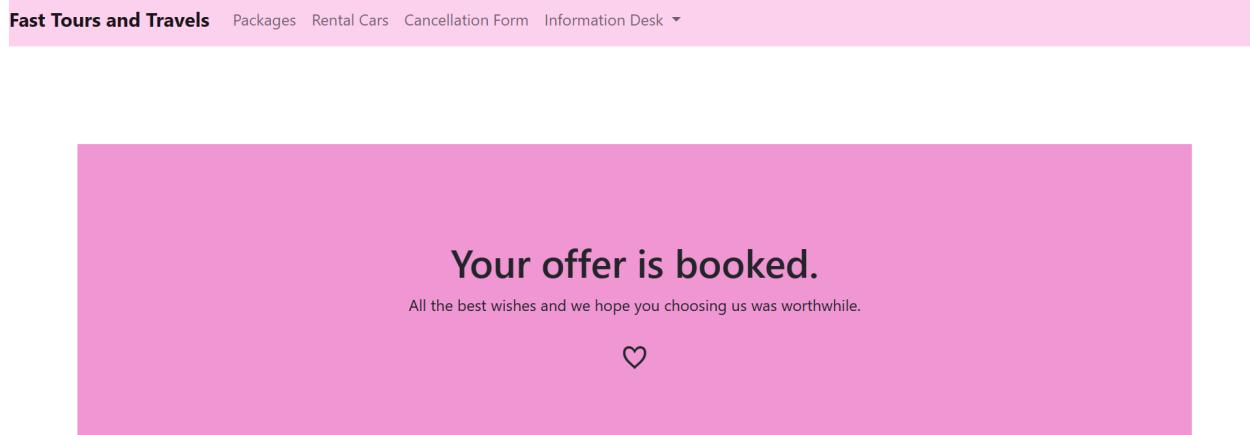

Country	Places to visit	Accommodation	Food	Public Travel	Duration	Price
Dubai	Burj Khalifa, Desert Safari	Finest Hotels	Shawarma and Al-Baik	Metro	4 days	\$4,000
Greece	Plaka, Acropolis Museum	Finest Hotels	Beef Stifado	Car	5 days	\$6,000
New York	Statue of Liberty, Empire State Building	Finest Hotels	Bagel	Car	1 week	\$10,000

When you press the book now, it shows you a form which confirms your booking and in case you want to check the flights and hotels of that particular country that you selected, you can select the range and it will show you the hotels and flights.

The screenshot shows a travel booking interface. At the top, there is a navigation bar with the text "Fast Tours and Travels" and links for "Packages", "Rental Cars", "Cancellation Form", and "Information Desk". Below the navigation bar, there are two search sections: "Hotels" and "Flights". Each section has a label "Select the range" and a horizontal slider with a blue dot. Below each slider is a "Search" button. The "Hotels" section has a "Search" button, and the "Flights" section has a "Search" button. Below these sections is a pink box containing the text "CONFIRMATION FORM". Inside the pink box are four input fields: "Enter Name: Enter name", "Enter Age: Enter age", "Passport ID: passport ID", and "Number of people travelling: 1". At the bottom of the pink box is a "Submit" button.

After submitting the form, this page shows up:

If you press the hotel's search button after selecting the range, it shows 6 cards of hotels which carry the hotel's basic information (the cards have hover and box shadow style)

**Hotel 1**

Price: \$15,000 per night
